The Logo pictured above is our new web page logo. High Twelve Web Master Kelly Seddens and Hon. Eric X. Briseno, Grand Lodge of Texas Web Master made the attachment of High Twelve International Web Page to The Grand Lodge of Texas Web Page.

Fellowship is a golden unbreakable cable that ties all human kind together into a harmonious, enthusiastic appreciation of life. Three thermometers record any groups health.....membership..... attendance and programs. All three go up or down together. The master thermometer is none of these three, but the registered heat of human fellowship.

Our sincere thanks go to everyone who approved, this Web Page, designed our Web Page and to those High Twelvians who have faith that the future of any organization is based on communications with each other by Computers. "They know enough who know how to learn."

Most Worthy Grand Matron Mrs. Margaret Clark and Most Worthy Grand Patron Fred W. Clark General Grand Chapter-2009-2012 Nova Scotia and Prince Edward Island hosted by High Twelve International Chaplain Harry Jameson and Mrs. Phyllis Jameson. Fred presented an excellent program to North San Antonio high 12Club # 667. We all enjoyed the sea food lunch and the fellowship was great. Hon. Fred W. Clark is Past Grand Master Grand Lodge of Nova Scotia AF & AM.

Lloyd Smith visited High Twelve International President Monty R. McMinn for about two hours in his hospital room. Monty was very alert and ready to discuss High Twelve. Monty is at home now and we visited by phone twice. He thanks all for the cards and plans to be present in Romulus, MI.
