FOREWORD

The Membership of High Twelve International consists of the High Twelve Clubs which may be organized without restriction as to number, wherever there may be at least ten (10) Master Masons, in Good Standing with their respective Grand Lodges, who are desirous of forming a Club and who agree to conform to and abide by the Constitution and By-Laws of High Twelve International and the Constitution and By-Laws of the State or Multi-State Association of which they become a Member upon being Chartered, and the Constitution and By-Laws of the Grand Lodge of the Jurisdiction in which they are Chartered.

High Twelve International would not exist if it were not for the individual Clubs and the individual Members of each Club are, in fact, High Twelve International. On the other hand, a Local Club is strengthened, guided and benefited by the over-all strength of High Twelve International, the State and Multi-State Associations.

To have the strength, the favorable publicity, and the prestige of an International organization, it is necessary then that there be some uniformity in principles, in ideals, in activities and in the more detailed phases of the operation of each of the separate Clubs. Therefore, this Manual is presented for study and guidance.

NOTE: Wherever the words “International Governing Board” is used in this Manual, it refers to the elected Association President’s and the High Twelve International (HTI) Executive Officers. The Words “Executive Board” refers to the HTI elected officers, Immediate Past International President and the General Counsel. For the balance of this Manual attention is also called to the existence of the Constitution and By-Laws which must be studied in conjunction herewith.

INTERNATIONAL GOVERNING BOARD

Composition

The International Governing Board is the Principal Administrative Body of High Twelve International. It is composed of the following Members: The HTI Executive Board and the President of State or Multi-State Associations of High Twelve International, or his proxy. It shall be the duty of the Members of the Governing Board to be familiar with the Constitution, By-Laws and all other Manuals of High Twelve International.

Matters Determination and Right to Appeal

Any administrative action taken by the Board is subject to the right of appeal to an Annual Convention of High Twelve International by any Member Club in Good Standing. Such appeal must be filed in writing with the Secretary of High Twelve International at least ninety (90) days prior to the opening of the Convention. Upon receipt of the appeal the Secretary shall notify the Editor of "THE HIGH TWELVIAN" of such and direct that notice of such appeal shall be published in the Pre-Convention issue of "THE HIGH TWELVIAN". Debate will be limited by rule of the Convention and the decision of the Convention shall be final.

Regulation of Management and Policies

The Executive Board is the general Governing Board of this organization between International Conventions, and as provided by the Constitution and By-Laws. It regulates the management and
policies of High Twelve International, the State or Multi-State Associations, and the Clubs. The Board has supervision over and charge of the Financial and Business Affairs of High Twelve International, subject to any limitation placed upon it by the International Convention.

Records of the Corporation
The Corporation shall keep correct books and records of accounts and shall also keep Minutes of the proceedings of its Executive Board, Governing Board and Committees meetings, and shall keep at its registered office or principal office, a record showing names and addresses of its Members entitled to vote.

All books and records of a corporation may be inspected by any member or his agent or attorney for any proper purpose at any reasonable time.

Budget
It is the duty of the Executive Board to develop a proposed Budget for the next year's annual income and expenses and to submit the same to the annual International Convention for its action thereon.

The Fiscal Year shall run from May 1st through April 30th of the following year and coincides with the annual tax filing year of the corporation.

Appropriation of Funds
Appropriation of International funds shall be as presented with the International Annual Budget as passed by the previous Convention. Any changes caused by unforeseen circumstances shall be passed as an amendment to Budget by a majority vote of the Executive Board. A careful review of the Financial Statement compared with the Budget and a careful projection of future income and expenses to the end of the Fiscal Year shall be made at the Mid-Year Meeting.

Expenses
The following International Officers will be reimbursed for actual travel expenses: President of High Twelve International; First, Second and Third Vice Presidents; Treasurer; Secretary; General Counsel; Parliamentarian; Immediate Past President, and the Editor of "THE HIGH TWELVIAN", to the Mid-Year Meeting and to the Annual Convention; Office personnel (if any) to the Annual Convention when approved by Executive Committee; and other persons who are requested by the President, with the ratification by the Governing Board.

Travel expenses of 100 miles or less, one way, will not be paid to any Officer as authorized above unless it is necessary that the Officer must stay overnight, and then the expenses of the hotel would be paid and not the travel expense. Travel expenses as authorized above will be paid for the Officer only. However, the double occupancy rate on the hotel room will be allowed for that Officer.

Travel expenses by automobile will be on the basis of the Internal Revenue Service Non Profit Mileage Rate, as measured by the most direct route as usually traveled. Costs by air should not exceed the coach air fare by scheduled air lines. In case the Officer has to use the services of a parking lot at the airport or hotel, this parking lot expense will be paid. Expenses of Officer to reach the airport of his departure will be paid on the mileage basis as above and there will be no reimbursement for rental vehicles.

Hotel rooms will be paid on the actual hotel expense within reason. The International will not pay for a suite of rooms. Necessary public transportation, such as taxis, tips to porters, bellman, etc., will be approved. Laundry and personal items will not be paid by High Twelve International.

All items of travel must be kept in line with the Budget approved by the preceding Convention. If the travel expenses exceed the Convention Budget, then a Revised Budget must be submitted for
Governing Board action. Any item not in the Budget must not be allowed unless there is a ratification by the Governing Board at Mid-Year for such items. The President may allocate Budgeted travel expenses to various Officers. All statements for Officer reimbursement shall be submitted for payment within 30 days of the occurrence.

Upon notification of the death of a Past International President, current Elective or Appointive Officer, or spouse of an elective or appointed officer, a memorial payment of $50.00 shall be made to the Wolcott Foundation.

The Incoming International President shall determine the approximate cost of planned travel and confer with his Budget and Finance Committee as to the amounts. No travel in excess of Convention approved Budget will be allowed unless a revised Budget at the Mid-Year Meeting is approved.

Except where otherwise instructed by the International President, all International Officers and all other persons entitled, as above indicated, are to be reimbursed by International for expenses. All claims for reimbursement shall be filed on the approved expense account form.

**Visitation Policy**

High Twelve International Officers are representatives of High Twelve International, and reasonably broad contacts with High Twelve Members can show the Members of High Twelve that the International is interested in the individual Member's well-being, as well as that of the High Twelve Club and State Associations. With this in mind, invitations for visitations by High Twelve International Officers will be accepted, if reasonably possible.

**Suggested Procedure for Invited Guests**

When a Club or State Association desires the presence of an International Officer, a Wolcott Trustee, a State Officer, or a Past International President for any Club or State Association event, the following are some suggestions which should be followed:

A written invitation should be sent to the invitee at least 30 days in advance of the event if possible, said invitation should indicate time, place, the nature of the event, what is to be required of the invitee, suggested dress (i.e., formal) and if the distance involved would require the invitee to stay overnight, and the arrangements for the invitee's accommodation. An information copy of the invitation should be sent to the President of High Twelve International.

Upon receipt of the invitation, the invitee should send an acceptance or rejection promptly to the signer of the said invitation with an information copy to the International President. The invitee should indicate his mode of travel, and, if by air, the airline, flight number, and the scheduled time of arrival.

Upon receipt of the acceptance of the invitee, the signer of the invitation should make prompt arrangements to meet and welcome the invitee upon his arrival, with an agenda specifying the time schedule of the event or events, and any other information which may aid and assist the invitee to understand what will be expected of him.

The inviting body, be it a Club or State Association, should make arrangements for free tickets, etc., to any function wherein the invitee should be present and his spouse, if attending.

In the event that the invited guest is a State Officer whose presence is normally required at a Club (e.g. installation of Officers, et cetera) the expense other than the tickets, et cetera, mentioned, should be the responsibility of the State Association. If the invitee shall arrive by air, train or bus, arrangements by the inviting body should be made to transport the invitee to and from the airport, etc., in time for the invitee to board the plane, train or bus.
The invitee and his spouse, if accompanied the invitee, shall be seated at the head table at a banquet, lunch, or any other formal gathering.
